GLOBAL AMBASSADOR PROGRAMME

Programme Goals

Orion Training Center for Maritime Professionals is a unique Vocational Certified Training Provider, on a wide spectrum of fields in the Maritime Industry.

Orion Training aims at strengthening the human capital in the Maritime Industry, by increasing its employability and developing its competitiveness in one of the most challenging industries in the world.

Our Global Ambassadors Programme aims at engaging individual professionals, in our effort to share knowledge and provide Professional Certified Training.

Individuals accepted for inclusion in the Programme, will have as key task, the **spreading of the word and values of Orion Training** in their communities as well as globally.

They are also expected to **engage in constructive discussions and proposals** about future educational Courses and Programmes to be developed by Orion Training, and will **receive unique personal benefits** from day one.

Programme Selection Criteria

The Programme is open to Individuals that:

- Are accepted by Orion Training after receipt of interest for inclusion to the Programme submitted through the relevant registration form.
